RE: Owens Illinois (OI) claim # 86028983

Dear Mr. Barney:

I am writing in regard to the claim you have filed with the Owen Illinois Asbestos Personal Injury Trust (the "Trust"). You have elected to file this claim as Disease Level III, Asbestosis/Pleural Disease.

Your claim is currently deficient with the following code:

778OI: Product Dates Outside of Recognized Manufacture Dates

The product you claimed is a known product, however, the period of claimed exposure does not coincide with the date the product was known to be used. Please provide documentation which places an acceptable OI asbestos containing product at a site on the claim during the appropriate time frame.

Please provide the Trust with the additional information at your earliest convenience. Please note that until the Trust receives the additional information as indicated above, this claim cannot be reviewed any further. If you have any additional questions, please do not hesitate to contact us.

Sincerely,

Re: Owens-Illinois Asbestos Personal Injury Trust
Claim No. 86028983

Dear Mr. Barney:

This firm represents the Owens-Illinois Asbestos Personal Injury Trust (the "Trust"). We received your correspondence, dated February 21, 2023, to the U.S. Bankruptcy Court for the District of Delaware inquiring as to the status of your Trust claim.

Please be advised that the Trust's claims processing agent received an initial claim filing from you on October 21, 2022 and a subsequent claim filing on December 13, 2022. Each individual filing lacked required documentation to allow the Trust's claims processor to commence review of either. However, with information from both filings the claim was placed in the queue with all other claims awaiting review. The review process will be completed by approximately mid-April.

Very truly yours,

Marla Rosoff Eskin
